Vivasil Interior Pro

Vivasil Interior Pro Emulsion Paint (I-Pro) is a hydro-soluble dispersion product based on acrylic polymers, additives and fillers, for finishing the interior surfaces , with high degree of white, good adherence to the support and matted finish.

Vivasil Interior Pro Emulsion Paint is completely opaque 12 hours after application and ensures a very good coverage, and high degree of whiteness given a proper preparation of the support.

Vivasil I-Pro is formulated using latest technology ultra white nano fine particles to make it feel the extra whiteness which are not available in the market.

Vivasil I-Pro is Anti powdery, High Covering and High Adhesion properties.

Vivasil Interior Pro (I-Pro) are water based, lead free,ammonia free , odourless,non toxic and environmental friendly paint products.

Although very cheap, the product is effective and easy to use.

The product has the possibilities of coloring limited to the basic shades of the Vivasil Paints color cards.

Surface must properly primed with Vivasil Silicone Sealer 801 before paint application.Stir before use. Place in cool & dry. Close tight after use.

Available in 5 & 18 litres.

PREPARATION OF SURFACE

All the surface must be dry, clean and free from contaminants such as dust, dirt, moss/fungus, oil, grease and ridges etc.

Cracks, Chips Voids and Damages should be repaired
Old acrylic paint must be scrapped, waterjet, removed & cleaned.

Store at cool and dry place in sealed containers.
