

Tennis Court Waterbase Paint

Colour Selection

Low VOC Waterbase Paint

Unique Features

Vivasil E-Coat WB-312 Acrylic Sports floor coat is one component waterbase for tennis courts, public access ramps and steps, decks, patios ,flooring ,concrete, pavers, bituminous surface and sporting facilities paint.Vivasil WB-312 is a water based non slip coating that is ideal for domestic and commercial applications.Vivasil WB-312 is a multiple colour surface treatment. It is based upon the application of successive textured and finishing coats. When applied over asphalt and concrete surfaces it provides an all weather surface. Utilising 100% acrylic and high quality resins, flexibility is inherent to all our system. WB-312 are designed to meet the demands of high traffic. The surface is hard wearing, long lasting with deep saturated colours. Even in wet conditions you will feel & play confidently with grip underfoot. Once fully cured,Vivasil WB-312 coatings have a tough, rubberised, textured finish.Low sheen, non abrasive and durable,Vivasil WB-312 has excellent weathering properties making it ideal for outdoor application.Vivasil WB-312 is available in a variety of different colours for interior or exterior, semi-gloss. It offers a quick drying, slip and abrasion resistant formula and easy water cleanup. Also a excellent high adhesion bonding technology and allowing shock and abrasion resistance for new and existing surfaces. Non toxic, dust free, non flammable and abrasion resistance .Vivasil E-Coat WB-312 Acrylic floor coat must properly primed with Vivasil WB-311 Primer before application .Stir before use. Place in cool & dry. Close tight after use.Available in 5 and 18 litres standard colour cards.

- UV resistance
- Highly Washable
- Apeo free
- Low voc
- Resists colour fading
- Odourless
- Alkaline resistant
- Anti fungus
- Anti efflorescence
- Anti mould
- Anti chalking
- Epoxy bonding technology

Non Toxic
Non Hazardous
Eco Friendly

Special features

- 100% Lead and mercury free
- Low VOC,and non toxic.
- Formulated without harmful chemical
